

The Cleveland Foot & Ankle Clinic Evaluations January, February, March 2008 First Quarter

Keep up the good work.

Everything's positive.

The service & entire visit is always pleasant and helpful. Thank you for the reminder call for the appointment.

He explained everything in simple words so my wife and I so we can understand.

The doctor visit is a little too long!

None.

Good Job ☺

I was early and I was seen early. (I came from out of town.)

Need more people at clinics like the Foot and Ankle clinic. Served us very well.

Everyone were very nice. I would recommend anyone there.

The overall visit was most pleasant. I would recommend this office to anyone.

Great place, nice people.

Thank you.

Had a very nice appt.

Doctors are very pleasant & friendly. Your receptionist is very helpful & pleasant. Also, thank you for taking out the time to work on my feet, I will continue to come back & tell other people also. Thank you very much.

Thank you so much. Everyone is really helpful. We need more people in the world like your clinic.

Need television, but nice facility.

Very pleasant staff.

More doctors like yours.

Everyone is very professional & pleasant. Keep up the good work.

Thank you for everything. Good staff.

Very nice doctors.

Good service, but need a television.

Good service. Thank you.

Great work!! Nice doctors & nice receptionist.

I have no comments.

I was very impressed and thought the services very satisfactory to me.

Thank you for the pencil.

Dr. Canales is Excellent. We are happy we found you guys. Thank you.

Receptionist is excellent!

It was a very pleasant experience. The staff was both efficient and caring, especially the student. Thank you.

Dr. Dimora is the best. Need more doctors like him. Other than that, everything's good.

Very good job.

I would highly recommend clinic.

Great Service.

I feel so much better. Thank you very much.

Student was very thorough and pleasant. The floor of room was very dirty with what looked like dried blood on the floor.

Eddie and Dr. very friendly.

Keep up the good work.

Greta job...keep it up!

The doctors were real nice.

Very content.
